The diagram shows a dark blue background with a white border. Inside, a white rectangular frame represents the card area. Three white arrows point from the left towards the inner frame, indicating the dimensions of different zones: the outermost zone (bleed area), the inner frame (card area), and a smaller inner zone (safe area). The text 'YOUR DESIGN' is centered in the card area. Below it, a note states 'Printed digitally. Colours may vary from those displayed on your screen.' At the bottom, another arrow points to the safe area dimensions.
