

# DISPLAY FLAGS

**STAND OUT FROM THE CROWD  
WITH HIGHLY VISIBLE  
TEARDROP OR BANNER FLAGS**

Flags are printed on 110gsm knitted polyester in full colour. Single sided or double sided printing available. Double sided flags have a third layer of material in the middle to reduce the design showing through from the other side.

All flags come with a collapsible pole (aluminium and fibreglass), standard scissor cross base, polyethylene water bag (to weigh down the base) and carry bag. We have a wide range of other base options to choose from for mounting in different locations.

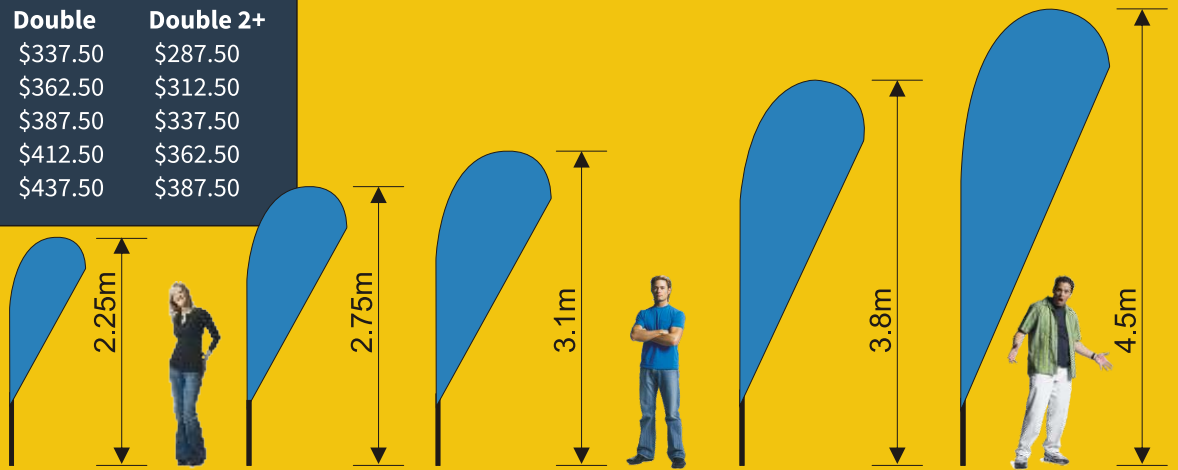

We can design the flag for you, or submit your own artwork.  
Fast, easy service at very affordable prices.

# Teardrop Flags

Size	Single	Double	Double 2+
